## JOHN BAKER'S GOOD RACE.

Harlem was knee deep in sticky mud yesterday, but Secretary Nathanson offered an extraordinarily good card, and the big half-holiday crowd was treated to some high class racing. It was a good day for favorites. Four of them won and the ring got a fierce drubbing.

A mile and one-sixteenth special was the racing feature, and although only four horses started they were so evenly matched that it was almost impossible for the wise men to make a selection. The quartette that started was Macy, John Baker, Jolly Roger and King's Highway. Macy and John Baker divided the play and a lot of money was bet on them. Macy opened at 13 to 5 and was backed down to 8 to 5. There was some 2 to 1 John Baker but very little and at post time he, too, was 8 to 5. Jolly Roger had a stout following and so had King's Highway. The race was interesting of aspect for about seven furlongs. Then, John Baker, an extremely shifty horse in heavy going, came away and won easily. He was conceding a horse of class like Macy eight pounds and did it like a gentleman. Rose rode John Baker, took him to the front immediately after the start and rated him there cleverly. Macy was always within striking distance and all down the backstretch he seemed to be running very easily, and from the stand it looked as though he could run over John Baker when he got ready. The latter, however, had a lot in reserve, and on the far turn stole away from Macy. Burns, who rode the latter, made his move at the three furlongs post, but he never could catch John Baker. Macy easily beat Jolly Roger for the place. The latter is a sulker and did not run his race.

Old Montgomery has been in the worst kind of luck lately. He could run second and third all right enough but it seemed impossible for him to win a race. He broke this spell of bad luck in the first event and after a most desperate drive through the stretch got up just in time to nose out Antiquary. From the sixteenth post home this pair had it hammer and tongs and it was principally through Burns' superior riding that Montgomery won. Dugan, who rode Antiquary, seemed to get tired when the pinch came and let the colt bore out. This cost him the race. The finish was a very close one and a noisy crowd foolishly gathered around the stand after the judges had hung out Montgomery's number.

The defeat of Goodrich in the mile and a quarter race was a hard blow to the talent. The horse seemed to be the best of the bunch, and, with Burns up, was figured as a good thing. He is a noted sulker. Goodrich ran kindly enough for a mile and seemed to be winning at the head of the stretch. Here a bumping match ensued. Goodrich was the chief sufferer and Joe Shelby appeared to be the offender as to him. After the collision Goodrich hung and sulked.

In an instant Joe Shelby took the lead, and, standing a hard drive gamely all through the stretch, managed to beat Goodrich by a length and a half. It seemed natural that Burns would claim foul against Joe Shelby, but he didn't, and the judges took no notice of the interference.

That Verify is one of the best mud runners in the west was demonstrated in the second race. He was an odds-on favorite over Sam Lazarus Esq. and six others, and won running away. He got off in front, and although H. S. Tobacco headed him for an instant down the backstretch he was never in danger. On the far turn Vittoe made his run with Verify and Cahn's gelding opened up a big gap in fifty yards. After that there was nothing to it as far as a

contest was concerned, and Verify—pulled to a canter—won by ten lengths from Sam Lazarus Esq.

The mile race for two-year-olds went to Hood's Brigade. He led all the way and after a hard drive just managed to last long enough to win by a half length from Florizar. On the latter Mitchell rode a very bad race. He should have won. The boy did not seem strong enough to hold him together and he slipped about all through the journey.

P. M. Civill won the last race with Bishop Reed, but through winning he lost his horse. The Bishop won in an impressive way. He was entered for \$800 and W. P. Magrane, who ran second with Mary Kinsella, bid him up to \$1,000. Civill let him go at that price.

## GOSSIP OF THE TURF.

The attention of turfmen who expect to campaign their horses in California during the coming winter is directed to the stakes advertised in this issue of DAILY RACING FORM by the newly-formed Western Turf Association. They are the precursors of others to follow later on and form a group to which entries will close October 25 and which will be run off before the beginning of the new year. They are all guaranteed stakes, with the entrance and starting fees on a liberal basis, and should secure a big list of entries. The new Turf course is said to be fully the equal of the splendid Oakland and Ingleside tracks in its buildings and other appointments, and will no doubt be the theater of stirring racing during the progress of its coming meetings. All nominations should be mailed to Secretary F. H. Green, Parlor A, Palace Hotel, San Francisco.

At an auction sale in the Harlem paddock, Saturday, the following horses changed owners:

Bitter Root, b. c. 4, by Royal Hampton—Buttermere; F Frisbie ..... \$250  
Tarsus, b. c. 3, by Azra—Quindaro Belle; James Dunne ..... 100  
Tearful, blk. c. 2, by Burlington—Rosella; S Schwartz ..... 100

In passing through Cincinnati en route to his home at Frankfort Judge L. P. Tarlton, in the course of an interview, gave the following explanation of the new rule providing for Turf Congress Stakes, a part of the added money to which is to go to trainers and jockeys. He said:

"A law was passed allowing any association that is a member of the Turf Congress to ask for any sum up to \$1,000 out of the fund to be added to a stake, provided the club asking for the same will add a like amount. The stake is to be called The Turf Congress Stakes at each track. Half the money that is obtained from that fund is to be divided among the trainers and jockeys of the first three horses at the finish, as follows: 40 per cent. to the trainer of the first horse, 20 per cent. to the trainer of the second horse and 10 per cent. to the trainer of the third horse. Of the remaining 30 per cent. it will be divided as follows among the jockeys of the first three horses: 15 per cent. to the first, 10 per cent. to the second and 5 per cent. to the third.

"For example, a club asks for \$1,000 to add to a stake, and it is granted. Five hundred dol-

## GOSSIP OF THE TURF.

(Continued from 1st Page.)

lars of this money is set aside for the trainers  
and jockeys. The trainer of the first horse will  
receive \$200, the trainer of the second horse  
\$100, the trainer of the third \$50. The jockeys'  
share will be divided \$75 to the jockey who rode  
the first horse, \$50 to the jockey who rode the  
second horse and \$25 to the jockey who rode the  
third horse.

"The congress also voted for a number of  
bills for the relief of disabled jockeys, and  
voted to pay for the funerals of several who  
died during the year. Jockey Sherland's  
funeral expenses of \$375 were paid. He was  
killed at Nashville last year. The limit of  
funeral bills has been set at \$100. Disability  
fees for the Harlem track alone were \$900 for  
the season, and they were approved. Jockeys'  
fees have been raised to \$25 from \$10. Trainers'  
fees remain at the same figure."

Judge Tarlton said the yearly income to the  
Turf Congress from trainers, jockey fees and  
fines was about \$15,000 a year net.

Jockey Wilson claims that jockey O'Connor  
was to blame for the fall of Sakhrat by crowd-  
ing him on the rail. Frank Farrell says that  
Wilson made such report to the stewards. If  
Wilson's statements are true then O'Connor is  
returning to his old habits. His employers do  
not wish him to use such tactics to win races,  
and he should be taught to do better. He does  
not seem to respect man or horse. In the re-  
port sent out that O'Connor was suspended  
there was no mention of the offense charged,  
but it no doubt resulted from Wilson's com-  
plaint. His suspension will be a loss to Brom-  
ley & Co., but it is the only method to bring a  
boy to his proper senses. It is to be deplored  
that O'Connor has this bad habit, for he is rid-  
ing in a great shape.—New York Exchange.

Provision was made at the recent meeting of  
the American Turf Congress through which  
Washington Park, Oakley, Nashville and Lex-  
ington will not lose membership in that body  
because of giving no meetings this year. In  
view of the train of adverse circumstances that  
forced these organizations to forego racing in  
1899 it was felt that it would be a hardship to  
permit them to lose membership even tempora-  
rily, so the operation of clause 5 of the by-laws  
was suspended for the year with the proviso  
that they should each give a meeting by or be-  
fore September 1, 1900.

Redpath, the two-year-old that ran second  
to Mesmerist in the Great Eastern Handicap  
beating Gulden, Gonfalon, Maribert and all of  
the other crack two-year-olds, will be trained  
over the jumps. Redpath is very fast and  
jumps naturally. Thomas Hitchcock Jr. will  
devote his personal attention to the breaking-  
in and schooling of the Raj on d'Orcolt.

Post 4 minutes. Start good. Won driving. The next three were also hard at it. Hardly  
ran a good race and lasted the route best. Her race was above the mark. Maximo Gomez was  
not well ridden and closed very strong. Chappaqua had plenty of speed but cracked when the  
pinch came. Hurricane is good. Rare Perfume is a lead betting proposition. He ran a dull  
race.

Winner—B. c. by St. Andrew—Hot Springs.

Post 4 minutes. Start fair. Won handily. Vesuvian was the best and ran to his best form.  
Mondoro appeared to be winning in the stretch but tired. Kilogram ran like a fair colt and will  
do to keep an eye on. Angle is not of much account. Eileen Daly showed a lot of speed but she  
is a non-stayer. Lingerie ran a poor race. Watch Fonslee with a good jockey up.

Winner—Ch. g. by Hanover—Blessing.  
Post 7 minutes. Start good. Won driving hard; third eased at the end. Montgomery won principally through Burns' superior riding. He brought the old horse up with a rush through the stretch and clearly outdistanced Dugan. As the race was run Antiquary was the best. He was much used racing with Little Jack Horner and Dugan was unable to keep him straight in the run home. This cost the colt a lot of ground as he bore out and finished on the extreme outside. Jim Gore II. closed like a whirlwind. Glenmoynne made up a lot of ground in the stretch. Little Jack Horner quit badly. He was raced into submission by Antiquary in the first half.  
Scratched—14292 Hanan, 92; 14253 Sim W., 108; 14576 Bertha Nell, 104; (14247) Mamie Lou 105; (12793) Don't Skip M., 92; 14141 Rosalia, 92.

Winner—Ch. g. by Victory—Bonnie Lizzie.  
Post 8 minutes. Start fair. Won pulled to a walk; second cleverly; third and fourth driving hard. Verity was at his best, reeled in the going and spread-eagled his field. All Vitito had to do was to sit still and hold the gelding's head up. Sam Lazarus Esq. got away poorly and ran a cracking good race. He is a good mud runner but was outclassed by the winner. Alice Turner and Benneville both finished strongly under punishment. H. S. Tobacco may have been short. He had a lot of speed but could only carry it about half a mile. He quit badly. The others were just fillers in.  
Scratched—Vigorous, 98; (14576) Georgie, 103; 14579 The Lady in Blue, 98; (14265) Sly, 104; 14579 Alleviate, 104; (14318) Frank Bell, 98; Laura K., 98.

Time, 14, 28, 47, 1:11, 1:33.  
Winner—B. c. by Barnes—Remnant.  
Off at the second break to a fair start. Won in a hard drive. Hood's Brigade got a flying start and had a lot of speed in the going. He barely lasted long enough to win. At the end he was staggering and tired enough to lie down. Florizar should have won. Mitchell rode a bad race on him and besides this the colt seemed to slip and sprawl. He was fresher than Hood's Brigade at the finish. Microscop ran a good race. Tommy O'Brien seemed to labor and dislike the track.  
Overweights—Warm Baby, 44 pounds.  
Hood's Brigade, place, 7 to 5. Florizar, place, out. Tommy O'Brien, place, 1 to 3.

Winner—Ch. h. by Sequin—Lula Baker.  
Off at the first break to a good start. Won easily; second handily; third ridden out. John Baker is a mud horse of high degree. He went to the front shortly after the start and was never in trouble. Rose rode a good race on John Baker. He rated him cleverly in front and always had a good, stout hold of his head. Macy, with a lot the best of the weights, ran only a fair race. He seemed to have a winning chance on the far turn when he was running easily, but when called on he had nothing left. Jolly Roger was always beaten off. King's Highway made one bid and then died away.  
Scratched—(14579) Serrano, 109; (14599) What'er Lou, 99; 14649 Tulla Fonso, 94.

Winner—B. c. by Sayre—Golden Seal.  
Off at the first break to a good start. Won after a long, hard drive; second and third driving hard also. It was a very tired lot at the finish. At the head of the stretch there was a lot of crowding without any special offender. On the turn Goodrich and J. H. C. both carried Joe Shelby out. Jones, on the latter, bumped into and almost threw Goodrich. This caused Goodrich to sulk and perhaps cost him the race. No claim of foul was made and the judges took no notice of the interference. Joe Shelby ran a good, game race. So did Pete Kitchen. Hosi and J. H. C. were both much used early and quit badly when the pinch came. Victorine pulled up lame.  
Scratched—14387 Haulight, 85; 14648 Long Dandy, 85; (14652) Pinar del Rio, 97; 14573 Yuba Dam, 102; 14522 Hub Prather, 84.  
Overweights—Pete Kitchen, 34 pounds.  
Joe Shelby, place, 6 to 1; show, 3 to 1. Goodrich, place, 1 to 2; show, out. Pete Kitchen, show, 3 to 1. J. H. C., place, 7 to 10; show, out.

14682 SIXTH RACE—1 Mile. Purse \$400. \$75 to second; \$25 to third. 3-year-olds and upward. Selling.

Winner—B. h. by Bishop—Octa Reed.  
Post 4 minutes. Start good. Won pulling up; second and third driving. Bishop Reed made a runaway race of it in going made for him. He could have won away off had he been asked to do so. Mary Kinsella had no excuses. She was simply not good enough to beat Reed. George Lee ran a fair race. Wilson seems to be of no account. The same can be said of Anowan.

Scratched—14650 Bitter Root, 102; (14531) Ed Tipton, 93; 14650 Lady Osborn, 89; 14632 Martha Fox, 89; (14650) Blue Lick, 98; 14616 Catastrophe, 101; 14245 Eight Bells, 105; (14334) Barataria, 105; 14578 Croesus, 105; 14578 King Bermuda, 107; 14530 Glengaber, 92.

## RACING FORM'S SELECTIONS.

DAILY RACING FORM has no private information. It seeks none. Its calculations over the horses as they are grouped daily at various racetracks are purely those of general performance and ability as shown by the records and the application and knowledge of its editors and the reports of its correspondents. These calculations are printed daily. Nothing is hidden. All that the staff of the paper knows is put into type. If the selections made nightly are sought by persons outside the daily delivery lines of the paper they will be sent by Western Union night rate messages (collect) at \$5 per track per week. Such service is not solicited, but if it is considered valuable, will be performed.

## THE AMERICAN SPORTING MANUAL.

The American Sporting Manual of 1898 is on general sale. It is a record of the turf, billiards, pugilism, trotting, pacing and all the leading lines of sport up to January 1, 1899. All the matter within its pages have been compiled and edited by experts. It prints a list of all the turf and track records (by DAILY RACING FORM's staff), billiard figures, past and present (by John Thatcher), the fights of 1898, with comments (by George Siler), harness records to date and of the past (by John Hervey, the statistician of The Horse Review) and three handicap tables, with directions for their application and expert comment. The Manual, in paper covers, sells at 30 cents and in soft morocco covers at 50 cents.
